

FAIR HOUSING POLICY DEFINED IN VILLAGE ORDINANCE

The Village of South Chicago Heights has adopted a fair housing ordinance to ensure that all residents are treated equally and with fairness. In addition to enforcing the fair housing policy, Village officials encourage good neighbor attitudes and practices. Neighbors should be judged by their actions, not place of birth, race, or religion.

Fair housing is the law and our Village welcome everyone who is law abiding and who will be a good neighbor. Are you a good neighbor?
