No proposal may be withdrawn after the time fixed in the public notice for the receipt of proposals.

(I) Rejection of Proposals

Failure to meet the requirements of the Request for Proposals (RFP) will be cause for rejection of the proposal. The Village may reject the proposal if it is incomplete, contains irregularities of any kind, or is offered conditionally. The Village reserves the right to reject any and all proposals without cause. The proposal is to be prepared in such a way as to provide a straightforward, concise delineation of the information requested. Proposals which contain false or misleading statements, or which do not support an attribute or condition claimed by the Proposer, may be cause for rejection of the proposal. If, in the sole opinion of the Village, such information was intended to mislead the Village in its evaluation of the proposal, it will be cause for rejection of the proposal.

Any or all bids shall be rejected if there is any reason to believe collusion exists among the bidding Consultants. More than one bid from an individual firm, partnership, corporation, or association under the same or different names may be rejected.

Reasonable grounds for believing that a bidding Consultant has interest in more than one proposal for the work being proposed may result in rejection of all bids in which the bidding Consultant is believed to have interest.

By submitting a proposal, the Consultant certifies that the company is not currently debarred from submitting proposals and/or bids for contracts issued by any Village or political subdivision or agency of the State of Illinois, and that it is not an agent of a person or entity that is currently debarred from submitting proposals and/or bids for contracts issued by any Village or political subdivision or agency of the State of Illinois.
